

Hotel Information for SJL75 and Lippard Lab Reunion

We have arranged for hotel room blocks at the Marriot, Kendall Hotel, and Le Meridien. A total of 55 hotel rooms are on reserve at a reduced rate (we figure that some folks may have alternative plans, but can seek out more rooms if needed). All hotels are in easy walking distance to MIT and near the Red Line T. If you'd like to take advantage of these rooms, please book by the deadlines listed below.

The information for each hotel and reservation details are below. ***The links for on-line booking are also listed into the Save-the-Date email.***

If you have any issues that require intervention on the part of the hotel room organizer person, please contact Liz Nolan (lnolan@mit.edu).
